

8R34K TH3 COD3!

The cryptology game CODEBREAKERS is about to get started!

Become a secret agent, break enemy messages and win the prizes! Just register your team and enter the game!

What is about?

As part of the game, at www.codebreakers.eu, we successively publish short lectures discussing various subjects related to the art of ciphering and decryption, as well as some tasks to work on.

IMPORTANT NOTICE: The lectures and tasks are published in English.

How to enter the game?

You need to register as an individual user with the CODEBREAKERS website, find ally and register a team of three members. You can play at three levels: basic, advanced and ENIGMA. Read lectures, solve the cryptological puzzles and win the game!

Right now

You can register a Team and soon you will be able to take a part in trial game.

The prizes

Three teams who are the first to solve all of the tasks, win the game and the prizes.

The details

are available at www.codebreakers.eu.

WILL YOU BE THE FIRST TO BREAK THE FINAL CODES?

Looking forward to seeing you at www.codebreakers.eu!

Good luck!
